THE \_\_\_\_\_ COURT OF \_\_\_\_\_

(District or Magistrate)

(Town Name)

#### IN THE MATTER of THE DISPOSITION of OBSOLETE, WORN-OUT or UNUSABLE COMPUTER HARDWARE

In accordance with applicable state law, the court and the Judicial Information Division (JID) of the State of New Mexico finds and concludes the following:

✓	DISPOSITION OPTION CHOSEN
1)	The computer hardware, which is the subject of this affidavit, is obsolete, worn-out or unusable for court use as provided for in NMSA 1978, Section 13-6-1(A)(1)(2). This is based on the rapid pace of advancement in computer hardware technology, a resale value of less than \$5,000.00, based upon a prior auction price received by JID for comparable types and numbers of equipment, and the hardware baseline requirements of the new software application now installed in the courts.
2)	As such, the computer hardware, described in the attachment to this affidavit, has been donated to the following state agencies / local public bodies / school districts / state educational institutions / municipalities / nonprofit 501(c)(3) organizations:  _____ _____ _____  <i>(List the name(s) and address(es) of all of the agency, agencies, organization or organizations, etc. receiving the equipment)</i>
3)	_____ (Name of the nonprofit agency(ies)) is a 501(c)(3) organization, and attached to this affidavit is evidence of that organization's IRS status. <i>(Attach either a copy of the organization's IRS 501(c)(3) letter or a signed affidavit from an officer of the organization affirming its 501(c)(3) status)</i>
4)	A portion of the court's obsolete, worn-out or unusable computer hardware, which was not otherwise disposable pursuant to state law, was either destroyed or otherwise permanently disposed of in accordance with applicable law. A listing of that equipment is also attached to this affidavit.
