

New Mexico Judiciary

Statistical Addendum

to the 2013 Annual Report

July 1, 2012 — June 30, 2013

State law (§ 34-9-3 NMSA 1978) requires the Director of the Administrative Office of the Courts to submit an annual report and statistical report to the Supreme Court and the Legislature by January 30 of each year. The reports can be found online at NMCourts.gov. For more information please contact:

Total Cases	105,804	489	94,042											

1) Pursuant to instruction from JID a new civil reporting method was used in August of 2013 for the first time. Previously dispositions were resulted from the tab **Judgment Activity**." The new "report" used was in the Odyssey case management system was the case status exception report. This new reporting form resulted in a slight change in new civil cases filed in FY13 from the prior report. Prior statistical reports showed total civil cases **16,876**; the new reported changed the total to **16,888**, an increase of 12 cases. Additionally, reopened cases went from **221** to **223** in **FY13**, a two case increase. This increased the total case filings from 105,792 to 105,804 for **FY13**. This report had a greater variance in disposed cases as the configuration used a new methodology, see below note 3.

2) In FY13 we had **378** juries "initialized" as reported in the Jury Management System. Of the **378** juries initialized in FY13 **158**, as reported above, resulted in a jury finding; **7** had a Directed Verdict by the court; **5** had a Nolle Prosequi entered; **3** had Hung Jury; **26** resulted in a Mistrial; and **12** waived or cancelled the jury before the trial commenced. The remaining cases were either settled by a plea, or change of plea, or were continued or reset. In FY13 the 378 jury panels "inialized" represented an increase of about 8%; however, in the **158** juries returning a verdict represented an increase of **12.7%** in jury trials from FY12. In FY13 about **47%** of all civil cases involved a non-jury trial; of the 79,654 criminal cases that were disposed 8,637 were adjudicated upon either a bench or jury trial, this represents about **11%** of all dispositions.

3) Data extraction of cases from the civil Odyssey case management system was derived from the Statistical Closure" tab and placed into the following corresponding disposition types: a) cases in the Six (6) month Inactivity tab were counted under the disposition type **Inactive Status**;" b) cases in the dismissal tab were counted under the disposition type, titled **Dismissed Before**;" c) default judgments were counted under the disposition type titled **Uncontested Default**;" d) default judgment - trial, judgment on restitution, trial-judgment, and summary judgment, were counted under the disposition type titled **Non-Jury Trials**;" e) mediated agreement reached, notice of bankruptcy, agreement reached by parties, and stipulated judgments were counted under the disposition type titled **Settled Before**;" f), cases counted under the tab judgments on pleadings were counted under the disposition type titled **Pleading**;" and g) any case(s) under the tab prejudgment-full satisfaction would be counted under the disposition type titled **Withdrawn Before**."
